Important Information: We have made some changes you need to know

Dear Dance Family,

To serve our ever-growing Kizomba community better, and in response to our changing economic environment; we are reviewing our current business model.

This is a necessary evil.

Moving forward, all general classes/events are now on hold. Our private sessions, parties, workshops and corporate events, will not be affected by this decision.

All active membership subscription plans and un-used single pass tickets are still valid. A separate e-mail will be sent to all holders describing next-steps.

We apologize for any inconvenience caused. Our goal is to provide best-in-class **#KizombaExperience** on your dance journey with us.

See you soon on the dance floor!

From all of us at Kizomba Nigeria ♥
